

# Week 1

In summary, The tasks in week one were :

- Get familiar with the company's websites.
- Get familiar with the company's online services.

## Monday

Nothing much happened, this was my first day.

- Got to know my colleagues.
- Discussed my learning map for the first week.

## Tuesday

1. Examine the imsguru.com website

- ☒ who are its users
- ☒ Its core purposes
- ☐ Its technical architecture (abstract)
- ☒ Find its flaws { UI, SEO, responsivity, performance, functionalities }
  - ☒ UI
  - ☐ SEO
  - ☐ Performance
  - ☒ responsivity
  - ☒ Functionality

2. Examine the imsguru.com beta website

- ☒ compare its UI against the current imsguru.com website. (borrow what, remove what, improve what)

## Wednesday

**Getting a gist of Sanyiko.com.**

- ☒ understand the purpose/functionalities of sanyiko.
