

Week 2

week 2 work outline:

1. Learn Wordpress ---- this will be continuous.
2. Get a template for sanyiko and host it. ----- Tuesday,
3. Update sanyiko.com - interface ----- Wednesday, Thursday, Friday

Monday

- ☒ finish up on examining sanyiko App.
- ☒ finish up on reviewing the MFI mobile and PC application
- ☒ continue learning wordpress.

Tuesday

- ☒ modify a sample website using wordpress. --- preferably a business website... or a portfolio website.
- ☒ Get MonsterOne.com rights and get familiar with their site actions... eg how to hook with wordpress.
- ☒ Using the previous sanyiko.com, find out what info needs to be retained in the new site.
- ☒ Start looking for template and Find a template for the new Sanyiko website.

Wednesday

- ☒ try to come up with ideas for the new sanyiko theme before 11:00 am meeting with Harsha.
- ☒ have a meeting with Harsha, discuss different Website sections to implement
- ☒ Gather data from the old Sanyiko.com website.

Thursday

- ☒ Start implementing Sanyiko's homepage
- ☒ present homepage to Harsha and Liz
